OFFICE OF THE SANITARY COMMISSIONER
WITH THE GOVERNMENT OF MYSORE,
Bangalore, dated the 12th November 1925.

B. MD. USMON,
Sanitary Commissioner, M. G.

OFFICE OF THE SANITARY COMMISSIONER IN MYSORE.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE, FOR THE WEEK ENDING
SATURDAY THE 14TH NOVEMBER 1925.

A total of 168 attacks with 122 deaths from plague was returned during the week against 106 attacks and 81 deaths in the previous week. The Cities of Bangalore and Mysore and the Kolar Gold Fields were free from infection.

Comparative figures for the corresponding week were 46 attacks with 29 deaths in 1924 and 232 attacks and 167 deaths in 1923.

2. The State continued to remain free from cholera and influenza.

3. A total of 9 attacks with no deaths from relapsing fever were returned for five villages in Mandya Taluk.

4. The total mortality for the Bangalore City amounted to 57, representing a calculated annual ratio of 25.84 per mille of population against the average ratio of 33.85 for 1924. Classified according to causes, the deaths numbered 7 under pneumonia, 4 under other fevers, 7 under phthisis, 5 under dysentery and diarrhoea, and 34 under all other causes.

5. The total mortality for the Mysore City for the week was 37, representing a calculated annual ratio of 23.93 per mille of population against the average ratio of 29.01 for 1924. The causes of deaths were, malaria 1, pneumonia 2, other fevers 2, phthisis 3, dysentery and diarrhoea 6, and all other causes 23.

6. There were 50 deaths from all causes, reported from Kolar Gold Fields area, equivalent to a calculated annual ratio of 29.65 per mille of population against the average ratio of 28.15 for 1924. The deaths numbered, 1 under malaria, 1 under pneumonia, 2 under other fevers and 46 under all other causes.

B. MAHOMED USMON,
Sanitary Commissioner.
